

WEEK OF MARCH 7, 2022

for the  
**Washington State**  
**House of Representatives**

The Environmental Priorities Coalition is a coalition of over twenty leading environmental groups who lobby in Olympia on a regular basis and organize around a set of priority bills each legislative session. As in the past, we will be sending you this weekly “Hot List” to assist you in your efforts to promote this common agenda.

Please feel free to contact Clifford Traisman (Washington Environmental Council and Washington Conservation Voters) at [clifford@ctassociates.org](mailto:clifford@ctassociates.org) if you have any questions regarding our positions on any bills affecting the environment, not just those found on the Hot List each week. The Hot List can also be found [here](#). Thank you.

## House Floor Action

Transportation for All

**SUPPORT**

Possible Floor Vote

### ***Move Ahead Washington Must be Acted on Before Sine Die***

- Passage of a transportation revenue package is one of the environmental community’s top 4 priorities for the 2022 Legislative Session.
- \$3 billion in transit funding, including \$1.45 for transit support grants, youth fare free, and a new Tribal Transit Grant Program.
- \$1.27 billion for active transit, including increases in safe routes to school and a new program for connecting communities to address the past harms of the transportation system on communities.
- \$3 billion in maintenance and preservation of our current system.
- Investments from the Climate Commitment Act funding that reduces carbon emissions.
- This package is the cleanest transportation revenue package in state history.

### *about the coalition*

The Environmental Priorities Coalition is a network of over 25 leading environmental groups in Washington state that influence policy at the state level. For over a decade, the Coalition has selected joint priority issues to work on during legislative session to help focus environmental community resources and best achieve our shared goals.
